KIDS PIZZA MAKING PARTIES

ON THE DAY

MEET

We'll have everything ready for the kids to start making their pizzas as they are welcomed by one of our own pizza chefs.

LEARN

The kids will make pizza dough alongside our chef, learning how to mix the raw ingredients through to stretching the dough out into a pizza.

PLAY

Our chefs love getting everyone involved in the process & will surprise the kids with some competitions throughout the event.

TOP IT UP

The kids will then get to choose their own toppings to make their very own unique pizza!

COOK

We'll put the pizzas in our wood fire oven so everyone can taste their creations.

EAT & DRINK

A short break later, we will bring out our fairy floss tower & sing happy birthday!

RELAX

Before you leave us, we'll send the kids off with a gift bag & a certificate to proudly display their newfound knowledge of pizza making. Oh — & the best part, a set of our Criniti's junior pizza chef uniform to take home!
